

Peyton Martin, Trustee, to a water district encompassing the Properties when such district has been legally created and sold its first issue of bonds. If and until such a district is created and has sold its bonds, the Association is responsible for all obligations of "Martin" as defined in the Water Supply Contract and shall take all necessary steps, including levying Assessments to fund payments due from "Martin" under the Water Supply Contract and operating and maintaining the water distribution system within the Properties, to fulfill its obligations to Pecan Grove Municipal Utility District under the Water Supply Contract.

#### SECTION 9. SECURITY AND OTHER SERVICES.

(a) Services. The Association may also provide security and other services and facilities for the Properties and shall be authorized to enter into contracts with other entities to provide such services and facilities. In addition to Assessments, the Board shall be authorized to charge additional use and consumption fees for selected services and facilities. By way of example, some services and facilities which may be provided include, in addition to the telecommunication services listed in the preceding section, landscape maintenance and pest control services. The Board shall be permitted to modify or cancel existing services or facilities provided, if any, or to provide additional services and facilities. Nothing contained herein is a representation as to what services and facilities will or will not be provided.

(b) Relationships With Tax-Exempt Organizations. The Association may create, enter into agreements or contracts with, or grant exclusive and/or non-exclusive easements over the Area of Common Responsibility to non-profit, tax-exempt organizations, the operation of which confers some benefit upon the Owners of the Lots in the Properties, the Association, its Members, or residents. The Association may contribute money, real or personal property, or services to such entity. Any such contribution shall be an Association Expense included in the Association's annual budget. For the purposes hereof, a "tax-exempt organization" shall mean an entity which is exempt from federal income taxes under the Internal Revenue Code ("Code"), such as, but not limited to, entities which are exempt from federal income taxes under Section 501(c)(3) or 501(c)(4), as the Code may be amended from time to time.

(c) DISCLAIMER CONCERNING SECURITY. THE ASSOCIATION MAY, BUT SHALL NOT BE OBLIGATED TO, MAINTAIN OR SUPPORT CERTAIN ACTIVITIES WITHIN THE PROPERTIES DESIGNED TO MAKE THE PROPERTIES SAFER THAN THEY OTHERWISE MIGHT BE. NEITHER THE ASSOCIATION, THE DECLARANT, NOR ANY SUCCESSOR DECLARANT SHALL IN ANY WAY BE CONSIDERED INSURERS OR GUARANTORS OF SECURITY WITHIN THE PROPERTIES, HOWEVER, AND NEITHER THE ASSOCIATION, THE DECLARANT, NOR ANY SUCCESSOR DECLARANT SHALL BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OF FAILURE TO PROVIDE ADEQUATE SECURITY OR INEFFECTIVENESS OF SECURITY MEASURES UNDERTAKEN. ALL OWNERS AND OCCUPANTS OF ANY LOT, TENANTS, GUESTS

AND INVITEES OF ANY OWNER, AS APPLICABLE, ACKNOWLEDGE THAT THE ASSOCIATION AND ITS BOARD OF DIRECTORS, THE DECLARANT, OR ANY SUCCESSOR DECLARANT AND THE TEXANA PLANTATION ARC DO NOT REPRESENT OR WARRANT THAT ANY FIRE PROTECTION SYSTEM, BURGLAR ALARM SYSTEM OR OTHER SECURITY SYSTEM DESIGNATED BY OR INSTALLED ACCORDING TO GUIDELINES ESTABLISHED BY THE ASSOCIATION OR THE TEXANA PLANTATION ARC MAY NOT BE COMPROMISED OR CIRCUMVENTED, THAT ANY FIRE PROTECTION OR BURGLAR ALARM SYSTEMS OR OTHER SECURITY SYSTEMS WILL PREVENT LOSS BY FIRE, SMOKE, BURGLARY, THEFT, HOLD-UP, OR OTHERWISE, NOR THAT FIRE PROTECTION OR BURGLAR ALARM SYSTEMS OR OTHER SECURITY SYSTEMS WILL IN ALL CASES PROVIDE THE DETECTION OR PROTECTION FOR WHICH THE SYSTEM IS DESIGNED OR INTENDED. EACH OWNER AND OCCUPANT OF ANY LOT, AND EACH TENANT, GUEST AND INVITEE OF AN OWNER, AS APPLICABLE, ACKNOWLEDGES AND UNDERSTANDS THAT THE ASSOCIATION, THE BOARD OF DIRECTORS, THE TEXANA PLANTATION ARC, THE DECLARANT, OR ANY SUCCESSOR DECLARANT ARE NOT INSURERS AND THAT EACH OWNER AND OCCUPANT OF ANY LOT AND EACH TENANT, GUEST AND INVITEE OF ANY OWNER ASSUMES ALL RISKS FOR LOSS OR DAMAGE TO PERSONS, TO LOTS AND TO THE CONTENTS OF LOTS AND FURTHER ACKNOWLEDGES THAT THE ASSOCIATION, THE BOARD OF DIRECTORS, TEXANA PLANTATION ARC, THE DECLARANT, OR ANY SUCCESSOR DECLARANT HAVE MADE NO REPRESENTATIONS OR WARRANTIES NOR HAS ANY OWNER, OCCUPANT, TENANT, GUEST OR INVITEE RELIED UPON ANY REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, RELATIVE TO ANY FIRE AND/OR BURGLAR ALARM SYSTEMS OR OTHER SECURITY SYSTEMS RECOMMENDED OR INSTALLED OR ANY SECURITY MEASURES UNDERTAKEN WITHIN THE PROPERTIES.

SECTION 10. NO PARTITION. Except as is permitted in this Declaration or amendments hereto, there shall be no partition of the Common Area or any part thereof, nor shall any Person acquiring any interest in the Properties or any part thereof seek any judicial partition unless the Properties have been removed from the provisions of this Declaration. This Article shall not be construed to prohibit the Board of Directors from acquiring and disposing of tangible personal property nor from acquiring title to real property which may or may not be subject to this Declaration.

## ARTICLE V INSURANCE AND CASUALTY LOSSES

SECTION 1. INSURANCE. The Association's Board of Directors, or its duly authorized agent, shall have the authority, but not the obligation, to obtain blanket all-risk casualty insurance for all insurable improvements on the Common Area, or if blanket all-risk coverage is not reasonably available, an insurance policy providing fire and extended coverage. Such insurance policies shall be in such amount or amounts as the Board of Directors deems appropriate.

The Board may also obtain a public liability policy covering the Common Area, insuring the Association and its Members for all

damages or injury caused by the negligence of the Association, its agents, the Members or Occupants, in such amount as the Board deems appropriate.

Premiums for all insurance on the Common Area shall be Association Expenses and shall be included in the annual Assessments. In addition to the other insurance discussed in this Section, the Board may also obtain, as an Association Expense payable from annual Assessments, (i) worker's compensation insurance, and the Board shall obtain such insurance if and to the extent required by law, (ii) directors' and officers' liability coverage, and (iii) a fidelity bond or fidelity insurance on directors, officers, employees, and other Persons handling or responsible for the Association's funds.

SECTION 2. DAMAGE AND DESTRUCTION. Immediately after damage or destruction by fire or other casualty of all or any part of the property covered by insurance written in the name of the Association, the Board of Directors or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and the repair or reconstruction of the damaged or destroyed property, to the extent insurance proceeds are available for such purpose. Repair or reconstruction, as used in this paragraph, means repairing or restoring the property to substantially the same condition which existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes. In the event that insurance proceeds are unavailable to repair or reconstruct the Common Area, the damaged or destroyed property shall be restored to its natural state and maintained by the Association in a neat and attractive condition. If insurance proceeds are insufficient to cover a repair or reconstruction, the Board may levy a special assessment to cover the shortfall.

## ARTICLE VI

### ARCHITECTURAL STANDARDS AND ARCHITECTURAL REVIEW COMMITTEE

SECTION 1. PURPOSE. In order to preserve the natural setting and beauty of the Properties, to establish and preserve a harmonious and aesthetically pleasing design for the Texana Plantation community and to protect and promote the value of the Properties, the Lots in the Subdivision shall be subject to the restrictions set forth in this Article VI. Every grantee of any interest in a Lot by acceptance of a deed or other conveyance of such interest, agrees to be bound by the provisions of this Article.

SECTION 2. TEXANA PLANTATION ARCHITECTURAL REVIEW COMMITTEE. There is hereby created the Texana Plantation Architectural Review Committee (sometimes hereinafter called the "Texana Plantation ARC"), which shall consist of three (3) persons and which shall have jurisdiction over all original construction on the Lots and

over modifications, additions, or alterations made on or to the residences and other improvements within the Properties. The Texana Plantation ARC shall (i) adopt the Builder Guidelines and (ii) establish application and review procedures for plans and specifications. The Texana Plantation ARC shall have sole and full authority to amend its guidelines and procedures and may establish a fee for the review of plans and specifications. The Texana Plantation ARC shall make the Builder Guidelines available to Owners who seek to engage in development of or construction upon a Lot and who shall conduct their operations strictly in accordance therewith. Until the date on which it no longer owns a majority of the total number of Lots within the Properties, the Declarant shall have the right to appoint all members of the Texana Plantation ARC as well as the right to remove any member. There shall be no surrender of this right prior to that time, except by a written instrument executed by Declarant and recorded in the real property records of Fort Bend County, Texas. Upon the expiration of such right, the Board of Directors shall have the right to appoint and remove the members of the Texana Plantation ARC. The Texana Plantation ARC is authorized, but not obligated, to retain the services of consulting architects, landscape architects, designers, engineers, inspectors, and/or attorneys in order to advise and assist the Texana Plantation ARC in performing its functions set forth herein.

SECTION 3. ARCHITECTURAL APPROVAL. To preserve the architectural and aesthetic appearance of the Texana Plantation community, no construction of improvements, or modifications, additions, or alterations to existing improvements, shall be commenced or maintained by any Owner with respect to any Lot, including, without limitation, the construction or installation of sidewalks, driveways, parking lots, mail boxes, decks, patios, courtyards, swimming pools, tennis courts, greenhouses, playhouses, awnings, walls, fences, exterior lights, garages, guest or servants' quarters, or other outbuildings, nor shall any exterior addition to or change or alteration therein be made (including, without limitation, painting or staining of any exterior surface), unless and until two (2) copies of the plans and specifications and related data (including, if required by the Texana Plantation ARC, a survey showing the location of trees of fifteen (15) inches in diameter at a height of four (4) feet above ground and other significant vegetation on such Lot) showing the nature, color, type, shape, height, materials, and location of the same shall have been submitted to and approved in writing by the Texana Plantation ARC as to the compliance of such plans and specifications with the Builder Guidelines and the provisions of this Declaration, including the harmony of external design, location, and appearance in relation to surrounding structures and topography. One copy of such plans, specifications, and related data so submitted shall be retained in the records of the Texana Plantation ARC, and the other copy shall be returned to the Owner marked "approved," "approved with conditions as noted," or "disapproved." The Texana Plantation

ARC may establish a reasonable fee sufficient to cover the expense of reviewing plans and related data and to compensate any consulting architects, landscape architects, designers, inspectors, or attorneys retained in accordance with the terms hereof. Notwithstanding the foregoing, no permission or approval shall be required to paint in accordance with an originally-approved color scheme, or to rebuild in accordance with originally-approved plans and specifications. Nothing contained herein shall be construed to limit the right of an Owner to remodel the interior of his improvements, or to paint the interior of the improvements on his property any color desired. The Texana Plantation ARC shall have the sole discretion to determine whether plans and specifications submitted for approval are acceptable to the Association.

Upon approval of plans and specifications by the Texana Plantation ARC, no further approval under this Article VI shall be required with respect thereto, unless construction has not substantially commenced within six (6) months of the approval of such plans and specifications (e.g. clearing and grading, pouring of footings, etc.) or unless such plans and specifications are materially altered or changed. Once construction commences, it must be diligently pursued to completion thereafter. Disapproval of plans and specifications by the Texana Plantation ARC may be based upon any ground which is consistent with the objects and purposes of this Declaration, including purely aesthetic considerations, so long as such grounds are not arbitrary or capricious.

SECTION 4. LANDSCAPING APPROVAL. To preserve the aesthetic appearance of the Texana Plantation community, no landscaping, grading, excavation, or filling of any nature whatsoever shall be implemented and installed on a Lot by any Owner unless and until the plans therefor have been submitted to and approved in writing by the Texana Plantation ARC. In the installation of landscaping and maintenance of his Lot, each Owner shall comply with the Landscaping Guidelines adopted by the Texana Plantation ARC from time to time.

SECTION 5. APPROVAL NOT A GUARANTEE OR VARIANCE. The review and approval of plans pursuant to this Article is made on the basis of aesthetic considerations only and no approval of plans and specifications and no publication of the Builder Guidelines shall be construed as representing or implying that such plans, specifications, or guidelines will, if followed, result in properly designed improvements. Such approvals and guidelines shall in no event be construed as representing or guaranteeing that any improvements built in accordance therewith will be built in a good and workmanlike manner. Neither Declarant, the Association, the Texana Plantation ARC, nor any of their respective officers, partners, directors or members, shall be responsible or liable in damages or otherwise to any Person who submits plans for approval

by reason of mistake of judgment, negligence or nonfeasance arising out of the approval or disapproval of any plans or specifications, any loss or damage arising from the noncompliance of such plans and specifications with any governmental ordinances and regulations, nor any defects in construction undertaken pursuant to such plans and specifications. The purpose of such reviews primarily seeks to conform the aesthetic appearances of development within the Properties.

In addition, the approval of plans pursuant to this Article shall not be deemed to be a variance from the specific restrictions of this Declaration or the Builder Guidelines. All variances must be issued in accordance with the provisions of Section 8 of this Article.

SECTION 6. RIGHT TO INSPECT. Any member of the Board of Directors or the Texana Plantation ARC and their representatives shall have the right, but not the obligation during reasonable hours to enter upon and inspect any Lot with respect to which construction is underway to determine whether or not the plans and specifications therefor have been approved and are being complied with. Such Person or Persons shall not be deemed guilty of trespass by reason of such entry. In the event the Texana Plantation ARC shall determine that such plans and specifications have not been approved or are not being complied with, the Texana Plantation ARC shall be entitled to enjoin further construction and to require the removal or correction of any work in place which does not comply with approved plans and specifications. In addition to any other remedies available to the Association, the Board may record in the appropriate land records a notice of violation naming the violating Owner.

SECTION 7. NO WAIVER OF FUTURE APPROVALS. The approval by the Texana Plantation ARC of any plans and specifications for any work done or proposed, or in connection with any other matter requiring the approval and consent of such committees, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar plans and specifications, drawings, or matters whatever subsequently or additionally submitted for approval or consent.

SECTION 8. VARIANCES. The Texana Plantation ARC may grant variances from compliance with certain restrictions of this Declaration and from the Builder Guidelines when circumstances such as topography, natural obstructions, hardship, or aesthetic or environmental considerations require, but only in accordance with duly adopted rules and regulations. Such variances may only be granted, however, when unique circumstances dictate and no variance shall be effective unless in writing or estop the Texana Plantation ARC from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the issuance of any permit, or the terms of

any financing, shall not be considered a hardship warranting a variance.

SECTION 9. COMPLIANCE WITH GUIDELINES. Any contractor, subcontractor, agent, employee or other invitee of an Owner who fails to comply with the terms and provisions of the Builder Guidelines may be excluded by the Board from the Properties without liability to any person.

SECTION 10. MEETINGS OF THE ARCHITECTURAL REVIEW COMMITTEE. The Texana Plantation Architectural Review Committee shall meet from time to time as necessary to perform its duties hereunder, and may from time to time, by resolution unanimously adopted in writing, designate one of its members or another individual as its representative to take an action or perform any duties for and on behalf of the Texana Plantation Architectural Review Committee, except the granting of variances pursuant to Section 8 of this Article VI. In the absence of such designation of a representative, the vote of the majority of the members of the Texana Plantation Architectural Review Committee, or the written consent of the majority of the members of the Texana Plantation Architectural Review Committee taken without a meeting, shall constitute an act of the Texana Plantation Architectural Review Committee.

#### ARTICLE VII USE RESTRICTIONS

SECTION 1. NUISANCE. It shall be the responsibility of each Owner and Occupant to prevent the development of any unclean, unhealthy, unsightly, or unkempt condition on his or her property. No Lot within the Subdivision shall be used, in whole or in part, for the storage of any thing that will cause such property to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing, or material be kept that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort or serenity of the occupants of surrounding property. No noxious or offensive activity shall be carried on within the Subdivision, nor shall anything be done tending to cause embarrassment, discomfort, annoyance, or nuisance to any Person.

SECTION 2. MINERAL PRODUCTION. No oil drilling, oil development operations, refining, quarrying or mining operations of any kind shall be permitted upon any Lot subject to this Declaration, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted on any Lot.

SECTION 3. OWNER'S MAINTENANCE. Each Owner and Occupant of a Lot shall at all times be obligated to maintain his property and all improvements thereupon (and the area between the boundary lines of adjacent property and adjacent Streets if such area is not

otherwise maintained), so as to keep same in a clean, sightly and safe condition and to conform with the Landscaping Guidelines and any other specific standards which the Board of Directors may adopt by resolution for the Properties. Unless expressly assumed by the Association, an Owner's maintenance obligation shall include, but not be limited to: the maintenance of all visible exterior surfaces of all buildings and other improvements; the prompt removal of all paper, debris, and refuse; the removal and replacement of dead and diseased trees and plantings; the removal of all snow and ice from paved areas; the repair, replacement, cleaning and relamping of all signs and lighting fixtures; the mowing, watering, fertilizing, weeding, replanting and replacing of all approved landscaping; and, during construction, the cleaning of dirt, construction debris and other construction-related refuse from Streets. In the event an Owner fails to maintain his property as specified above, the Association may enter upon the applicable Lot to perform the necessary work as more specifically set forth in Section 7 of Article XI hereof.

## ARTICLE VIII ARCHITECTURAL RESTRICTIONS

SECTION 1. SINGLE FAMILY RESIDENCES. Each and every Lot is hereby restricted to not more than one (1) Single Family Residence and related outbuildings and improvements, including guest houses, servants quarters, barns and greenhouses, and use for single-family residential purposes exclusively and no Single Family Residence shall be occupied by more than a single family. For purposes of this restriction, a single family shall be defined as any number of persons related by blood, adoption or marriage living with not more than one (1) person who is not so related as a single household unit, or no more than two (2) persons who are not so related and the children of either of such persons living together as a single household unit, and the household employees of either such household unit. It is not the intent of the Declarant to exclude from a Single Family Residence any individual who is authorized to so remain by any state or federal law. If it is found that this definition, or any other provision contained in this Declaration is in violation of any law, then this Section shall be interpreted to be as restrictive as possible to preserve as much of the original section as allowed by law.

No business or business activity shall be carried on, in or upon any Single Family Residence at any time except with the written approval of the Board. No deliveries of stock or merchandise for sale or distribution, no traffic of customers, vendors, or clients to or from a Lot, and no storage of materials, products or stock are permitted on any Lot. Garage sales or yard sales (or any similar vending of merchandise) conducted on any Lot shall be considered a business activity and is therefore prohibited. The Board may permit a community garage sale to be

held on the Common Area in which all Members are entitled to participate on a designated day from time to time.

Notwithstanding the foregoing, a Single Family Residence on a Lot may be used for a Home Occupation provided that:

- (i) no person other than a resident of the Single Family Residence shall be engaged or employed in the Home Occupation at the site;
- (ii) there shall be no visible storage or display of occupational materials or products;
- (iii) there shall be no exterior evidence of the conduct of a Home Occupation and no Home Occupation shall be conducted on the Lot outside of the Single Family Residence; and
- (iv) no additional parking shall be provided for the Home Occupation.

As used herein, the term "Home Occupation" shall mean a commercial enterprise conducted in a Single Family Residence which is incidental to the principal residential use.

## SECTION 2. LIVING AREA REQUIREMENTS AND SETBACKS.

(a) The total living area of each Single Family Residence constructed on a Lot in the Subdivision, exclusive of open porches and garages, shall be not less than 2,800 square feet for 1-story residence and 3,500 square feet for a 2-story residence (with a minimum of 2,200 square feet on the first floor).

(b) The location of each Single Family Residence on a Lot must be approved by the Texana Plantation ARC with its approval of the plans and specifications. Unless otherwise approved by the Texana Plantation ARC, a Single Family Residence must be a minimum of fifty (50) feet from the front Lot line, thirty (30) feet from the rear Lot line, and twenty (20) feet from each side Lot line and detached garages and accessory buildings must be located behind the main residence so as not to be visable from the Street at the front of the Lot, a minimum of forty (40) feet and twenty (20) feet, respectively, from the rear Lot line and the side Lot lines.

SECTION 3. TYPE OF CONSTRUCTION. Unless a variance from this restriction is specifically approved in writing by the Texana Plantation ARC, a minimum of 75% of the exterior wall area of all residences, exclusive of doors and windows, shall be masonry, brick veneer or stucco construction. In addition, 100% of the second story exteriors, exclusive of window opening, of the residences on Lots 1 through 6 in Block Two (2) of the Subdivision shall be constructed of such materials. For purposes hereof, the concrete

siding material known as "hardi plank" or a similar material shall not be considered to be masonry, brick veneer or stucco.

No detached garage or accessory building shall exceed in height the dwelling to which it is appurtenant without the written consent of the Texana Plantation ARC. Every garage and accessory building shall correspond in style and be architecturally compatible with the dwelling to which it is appurtenant, unless otherwise approved by the Texana Plantation ARC. No structure of any kind or character which incorporates wood construction on the exterior shall be erected on any Lot unless such structure receives at least two coats of paint or a sealant at the time of construction.

SECTION 4. GARAGES AND DRIVEWAYS. Unless otherwise approved by the Texana Plantation ARC, each Single Family Residence must have an attached or detached garage with an automatic garage door opener for a minimum of two (2) automobiles. Unless otherwise approved by the Texana Plantation ARC, the garage door(s) may not face the front of the Lot unless the garage is a minimum of seventy (70) feet from the front Lot line. Garage doors shall be kept closed when not in use for their intended purposes. Each Owner shall construct and maintain at his expense an asphalt or concrete driveway from the garage of his residence to the abutting Street having a minimum width of ten (10) feet but flaring to a width of twelve (12) feet at the point of connection with the Street, and the Owner shall repair at his expense any damage to the Street occasioned by connecting the driveway thereto. No vehicle may be parked or left upon any Lot in the Subdivision, except in a garage or other area designated by the Board, and in driveways for such temporary periods as may be specified by the Board from time to time. The parking of vehicles on Streets or within road rights-of-way is specifically prohibited. Any vehicle parked or left not in accordance with this section shall be considered a nuisance and may be removed by the Board at the owner's expense. No motorized vehicles shall be permitted on pathways or unpaved Common Area except for public safety vehicles and vehicles authorized by the Board. The term "vehicles", as used herein, shall refer to all motorized vehicles including, without limitation, automobiles, trucks, motor homes, boats, trailers, motorcycles, minibikes, scooters, go-carts, campers, buses, and vans.

SECTION 5. SANITARY SEWER SYSTEMS. Each Owner shall construct and install, at his expense, a Clearstream Wastewater extended aeration sewage treatment system or equivalent to serve the Single Family Residence on his Lot.

SECTION 6. ANTENNAE AND SATELITTE DISHES. No television, radio, or other electronic towers, aeriels, antennae, satellite dishes or device of any type for the reception or transmission of radio or television broadcasts or other means of communication shall be erected, constructed, placed or permitted to remain on any

Lot or upon the exterior of any improvements thereon, except that this prohibition shall not apply to those antennae specifically covered by the regulations promulgated under the Telecommunications Act of 1996, as amended from time to time. The Texana Plantation ARC is empowered to adopt rules governing the types of antennae that are permissible in the Properties and to establish reasonable, non-discriminatory restrictions relating to safety, location and maintenance of antennae. To the extent that receipt of an acceptable signal would not be impaired, an antenna permissible pursuant to the rules of the Texana Plantation ARC may only be installed in a side or rear yard location, not visible from the Street, and integrated with the dwelling and surrounding landscape. Antennae shall be installed in compliance with all state and local laws and regulations.

SECTION 7. ANIMALS AND LIVESTOCK. No animals of any kind may be raised, bred, kept, or permitted on any Lot for commercial purposes. Consistent with its use as a residence, dogs, cats, and other domestic pets may be kept on a Lot at such time as the Single Family Residence on such Lot is completed and occupied; provided, however, there shall be not more than two (2) small animals such as dogs and cats per acre of land. For purposes hereof, horses, cows, pigs and chickens shall not be considered to be domestic pets and are not permitted on any Lot. All animals shall be kept on a leash when not within the residence or a confined area on the Lot. Animals which are permitted to roam free, or which in the sole discretion of the Board, endanger health, make objectionable noise, or constitute a nuisance or inconvenience to the Owners or Occupants within the Properties may be removed by the Board. Animal control authorities shall be permitted to enter the Properties to patrol and remove pets. Pets shall be registered, licensed and inoculated as required by law.

SECTION 8. RENTING OR LEASING. Single Family Residences may be rented or leased only by written leases and subject to the restriction that all tenants shall be subject to the terms and conditions of this Declaration and the rules and regulations promulgated by the Association as though such tenant were an Owner. Each Owner of a Single Family Residence agrees to cause his lessee or the persons living with such Owner to comply with this Declaration and the rules and regulations promulgated pursuant hereto, and is responsible and liable for all violations and losses caused by such tenants or Occupants, notwithstanding the fact that such tenants or Occupants are fully liable for any such violation. All provisions of this Declaration and of any rules and regulations promulgated pursuant hereto which govern the conduct of Owners of a Single Family Residence and which provide for sanctions against Owners shall also apply to all Occupants of a Single Family Residence even though such Occupants are not specifically mentioned.

SECTION 9. DISPOSAL OF TRASH. No trash, rubbish, garbage, manure, debris, or offensive material of any kind shall be kept or allowed to remain on any Lot, nor shall any Lot be used or maintained as a dumping ground for such materials. All such matter shall be placed in sanitary refuse containers constructed of metal, plastic or masonry materials with tight fitting sanitary covers or lids and placed in an area adequately screened from public view by planting or fencing. All rubbish, trash, and garbage shall be regularly removed and not allowed to accumulate. Equipment used for the temporary storage and/or disposal of such material prior to removal shall be kept in a clean and sanitary condition and shall comply with all current laws and regulations and those which may be promulgated in the future by any federal, state, county, municipal or other governmental body with regard to environmental quality and waste disposal. In a manner consistent with good housekeeping, the Owner of each Lot shall remove such prohibited matter from his Lot at regular intervals at his expense. The Association shall have the right to designate a single company to be used by all Owners in the Properties for regular trash pick-up and if a company or contractor is selected, all Owners shall be required to use the services of such company.

SECTION 10. CLOTHESLINES, GARBAGE CANS, WOODPILES, ETC. All clotheslines, garbage cans, woodpiles, swimming pool pumps, filters and related equipment and other similar items shall be located or screened so as to be concealed from view of adjacent Streets or Common Area.

SECTION 11. WEAPONS AND FIREWORKS. Hunting and the use of fireworks, firearms and other weapons within the Subdivision are prohibited. Nothing contained in this Declaration shall be construed to require the Association to take action to enforce this Section.

SECTION 12. TEMPORARY BUILDINGS. Temporary buildings or structures shall not be permitted on any Lot, provided, however, Declarant may permit temporary toilet facilities, construction offices and storage areas to be used by builders in connection with the construction of residences and by contractors performing land development activities within the Properties for Declarant.

SECTION 13. TRAFFIC SIGHT AREAS. All Lots located at Street intersections shall be landscaped so as to permit safe sight across the Street corners. No fence, wall, hedge, or shrub planting shall be placed or permitted to remain where this would create a traffic or sight problem.

SECTION 14. PRIVATE UTILITY LINES. All electrical, telephone, and other utility lines and facilities which are located on a Lot and are not owned by a governmental entity or a public utility company shall be installed underground unless otherwise approved in writing by the Texana Plantation ARC.

SECTION 15. ROOFTOP ELEMENTS. Unless otherwise approved by the Texana Plantation ARC, all stack vents and attic ventilators shall be located on the ridge or rear slopes of roofs and mounted perpendicular to the ground plate. All exposed roof stack vents, flashings, attic ventilators, etc. on each Single Family Residence must be painted to match the color of the roof of the Single Family Residence unless otherwise approved by the Texana Plantation ARC. No solar collectors shall be allowed on any roof slope visible from a Street or Common Area.

SECTION 16. DECORATIONS. On front lawns of Lots and on any portion of a Lot visible from any Street, there shall be no decorative appurtenances placed, such as sculptures, flagpoles, birdbaths and birdhouses, fountains or other decorative embellishments unless such specific items have been approved in writing by the Texana Plantation ARC.

SECTION 17. PLAYGROUND EQUIPMENT. All playground equipment on a Lot must be placed at the rear of the Lot and must be placed behind a fence or otherwise screened from public view from any adjacent Street or Common Area.

SECTION 18. SIGNS. No signs, billboards, posters, or advertising devices of any kind shall be permitted on any Lot without the prior written consent of the Texana Plantation ARC other than one sign not in excess of a size and design prescribed by the Texana Plantation ARC advertising a particular Lot and residential structure on which the sign is situated for sale or rent; provided, however, no sign advertising a Lot and residential structure for sale shall contain the word "foreclosure" or any derivative of such word. The right is reserved by Declarant to construct and maintain signs, billboards and advertising devices on land it owns and on the Common Area as is customary in connection with the sale of Lots. In addition, the Declarant and the Association shall have the right to erect and maintain directional and identifying signs and monuments within road right-of-ways within the Properties.

In addition to any other remedies provided for herein, the Board of Directors or its duly authorized agent shall have the power to enter upon a Lot to remove any sign which violates this Section provided the violating Owner has been given forty-eight hours' written notice by the Board of Directors of its intent to exercise self-help. All costs of self-help, including reasonable attorney's fees actually incurred, shall be assessed against the violating Owner and shall be collected as provided for herein for the collection of assessments.

SECTION 19. FENCES. No fence or wall shall be erected on any Lot along the front Lot line or in front of the Single Residence on such Lot. Further, unless otherwise approved by the Texana Plantation ARC and except as hereinafter specified, all fences must

be constructed of cedar, must be a minimum of five (5) feet and a maximum of eight (8) feet in height, and may not be constructed across or within a utility easement. The plans for all fences must be approved by the Texana Plantation ARC which shall have the power to specify acceptable materials. No chain link fences shall be permitted on the Lots. The fences constructed along the rear of any Lot adjacent to Common Area must be wrought iron of a style approved by or a uniform style prescribed by the Texana Plantation ARC and no other fencing is permitted in such areas. All cedar fencing must be treated at the time of installation with Thompson's Water Seal or an equivalent product approved by the Texana Plantation ARC.

SECTION 20. LANDSCAPING. The Owner of each Lot shall landscape the area between the front of his residence and the abutting Street and the side yard of such Lot on all corner Lots in accordance with the Landscaping Guidelines. Grass and weeds shall be kept mowed to prevent unsightly appearance, and all curbs, drives and walkways shall be kept edged. Dead or damaged trees and shrubbery shall be promptly removed or replaced, and if not removed by the Owner upon request, then the Association may remove or cause to be removed such trees or shrubbery at the Owner's expense and shall not be liable for damage caused by such removal. The Association may plant, install and maintain shrubbery and other screening devices around boxes, transformers and other above-ground utility equipment, and mow and maintain the grass around such areas. The Association shall have the right to enter upon the Lots to plant, install, maintain and replace such shrubbery or other screening devices, and mow and maintain grass around such areas following reasonable advance notice to the Owner of such Lot.

Each Owner of a Lot in Blocks 1 and 2 of the Subdivision shall, not later than thirty (30) days after occupancy of the Single Family Residence on the applicable Lot, plant a minimum of four (4) trees on such Lot, a minimum of two (2) of which shall be in the front yard, and all of which must be of a size not less than three and one-half (3-1/2) inches in diameter at the point twelve (12) inches above the ground. Unless otherwise approved by the Texana Plantation ARC, the trees satisfying this requirement must be oak or pecan trees. No pine tree may be planted on a Lot unless otherwise approved by the Texana Plantation ARC.

## ARTICLE IX ANNEXATION OF ADDITIONAL PROPERTY

SECTION 1. UNILATERAL ANNEXATION BY DECLARANT. The Declarant, as the owner thereof or, if not the owner, with the consent of the owner thereof, shall have the unilateral right, privilege, and option at any time and from time to time to annex real property adjacent to or in the vicinity of the Subdivision to the jurisdiction of the Association by filing for record a Declaration of Annexation instrument which subjects the Lots within

the annexed area property to the provisions of this Declaration or a Supplemental Declaration in respect to the property being annexed which subjects the Lots within the annexed property to assessment by the Association on a uniform basis with all other Lots within the Association's jurisdiction. Any such annexation shall be effective as to the property described therein upon the filing for record of such Declaration of Annexation or Supplemental Declaration unless otherwise provided therein.

The right reserved by the Declarant to annex additional land shall not be implied or construed so as to impose any obligation upon Declarant to subject any of such land to this Declaration or to the jurisdiction of the Association. If such additional land is not annexed, Declarant has no obligation to impose any covenants and restrictions similar to those contained herein upon such land nor shall any thing contained herein be construed to limit or restrict the use to which such land may be put by Declarant or by any subsequent owner thereof, whether such uses are consistent with the covenants and restrictions imposed hereby or not.

SECTION 2. OTHER ANNEXATIONS. With the consent of the Owner thereof, the Association may annex other real property to the jurisdiction of the Association. Such annexation shall require the approval of the Board and of the Declarant, so long as the Declarant owns any portion of the Properties.

Annexation shall be accomplished by filing of record in the real property records of Fort Bend County, Texas, an annexation agreement describing the property being annexed. Such annexation agreement shall be signed by the President and the Secretary of the Association, and by the owner of the property being annexed, and any such annexation shall be effective upon filing unless otherwise provided therein. Annexed property shall be impressed with and subject to Assessments by the Association on a uniform basis, consistent with provisions of this Declaration.

SECTION 3. RIGHTS OF OWNERS OF ANNEXED AREA. The Owners of land in annexed property shall be entitled to use the Common Area in the same manner and to the same extent of the Owners of all other property subject to the jurisdiction of the Association.

#### ARTICLE X MORTGAGEE PROVISIONS

The following provisions are for the benefit of the holders of Mortgages. To the extent applicable, necessary or proper, the provisions of this Article apply to both this Declaration and to the By-Laws, notwithstanding any other provisions contained herein or therein.

SECTION 1. NOTICES OF ACTION. A Mortgagee who provides written request to the Association (such request to state the name

and address of such holder, insurer or guarantor and the description of the affected property), will be entitled to timely written notice of:

(a) any proposed termination of the Association;

(b) any condemnation loss or any casualty loss which affects the property on which there is a mortgage or deed of trust held, insured, or guaranteed by such Mortgagee; or

(c) any delinquency in the payment of Assessments or charges owed by an Owner of the property subject to the Mortgage of such Mortgagee, where such delinquency has continued for a period of sixty (60) days.

SECTION 2. NO PRIORITY. No provision of this Declaration gives or shall be construed as giving any Owner or other party priority over any rights of the Mortgagees in the case of distribution of insurance proceeds or condemnation awards for losses to or a taking of the Common Area.

SECTION 3. NOTICE TO ASSOCIATION. Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's property.

## ARTICLE XI GENERAL PROVISIONS

SECTION 1. TERM. The provisions of this Declaration shall run with and bind the land and shall be and remain in effect for a period of forty (40) years after September 29, 1997, after which time they shall be automatically extended for successive periods of ten (10) years, unless an instrument in writing, signed by the Owners of not less than a majority of the Lots subject to the provisions hereof agreeing to terminate this Declaration has been recorded within the year immediately preceding the beginning of a ten (10) year renewal period, in which case this Declaration shall terminate at the end of its original term or the applicable extension period. Every purchaser or grantee of any interest in any real property subject to this Declaration, by acceptance of a deed or other conveyance therefor, thereby agrees that the provisions of this Declaration may be extended and renewed as provided in this Section.

SECTION 2. SEVERABILITY. Invalidation of any one of these covenants by judgment or other court order shall in no wise affect any other provisions, which shall remain in full force and effect except as to any terms and provisions which are invalidated.

SECTION 3. GENDER AND GRAMMAR. The singular wherever used herein shall be construed to mean or include the plural when

applicable, and the necessary grammatical changes required to make the provisions hereof apply either to corporations (or other entities) or individuals, male or female, shall in all cases be assumed as though in each case fully expressed.

SECTION 4. TITLES. The titles of this Declaration of Articles and Sections contained herein are included for convenience only and shall not be used to construe, interpret, or limit the meaning of any term or provision contained in this Declaration.

SECTION 5. AMENDMENT. This Declaration may be amended unilaterally at any time and from time to time by Declarant (a) if such amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, or regulation or judicial determination which shall be in conflict therewith; (b) if such amendment is required by an institutional or governmental lender or purchaser of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase mortgage loans on the property subject to this Declaration; (c) if such amendment is necessary to enable any governmental agency or reputable private insurance company to insure mortgage loans on the property subject to this Declaration; or (d) for any other purpose, provided that the amendment has no material adverse effect upon any right of any Owner or that the Owner or Owners so affected have consented thereto.

In addition to the amendments described above, this Declaration may be amended in any respect at any time by an instrument signed by (i) the Owners of more than fifty percent percent (50%) of the Lots which are subject to this Declaration and (ii) the Declarant, as long as it owns any portion of the Properties, and thereafter by the Association after approval by the Association's Board of Directors. Any amendment to this Declaration must be recorded in the real property records of Fort Bend County, Texas.

SECTION 6. MERGER AND CONSOLIDATION. Upon a merger or consolidation of the Association with another non-profit corporation organized for the same or similar purposes, the Association's properties, rights, and obligations may be transferred to the surviving or consolidated association, or alternatively, the properties, rights and obligations of another association may be added to the properties, rights and obligations of the Association as a surviving corporation pursuant to a merger. The surviving or consolidated association shall administer the covenants, conditions and restrictions established by this Declaration, together with the covenants, conditions and restrictions applicable to the properties of the other association as one scheme.

SECTION 7. ENFORCEMENT. Each Owner and Occupant shall comply strictly with the covenants, conditions, and restrictions set forth

in this Declaration, as may be amended from time to time, and with the rules and regulations adopted by the Board. The Board may impose fines or other sanctions, which shall be collected as provided herein for the collection of assessments. Failure to comply with this Declaration or the rules and regulations shall be grounds for an action to recover sums due for damages, injunctive relief, or any other remedy available at law or in equity, maintainable by the Board, on behalf of the Association, or by any Owner of a portion of the Properties. Failure of the Board or any other Person to enforce any of the provisions herein contained shall in no event be deemed a waiver of the right to do so thereafter. The Association shall also have the right to enforce, by any proceeding at law or in equity, any other restrictions, conditions, covenants and liens imposed upon any portion of the Properties which by the terms of the instrument creating same grant the Association the power to enforce same, and failure of the Association to enforce such provisions shall in no event be deemed a waiver of the right to do so thereafter.

In addition to any other remedies provided for herein, the Association or its duly authorized agent shall have the power to enter upon a Lot to abate or remove, using such force as may be reasonably necessary, any erection, thing or condition which violates this Declaration, its rules and regulations, or the Design Guidelines. Except in the case of emergency situations, and as otherwise specified herein, the Association shall give the violating Owner ten (10) days' written notice of its intent to exercise self-help. All costs of self-help, including reasonable attorney's fees actually incurred, shall be assessed against the violating Owner and shall be collected as provided for herein for the collection of assessments.

SECTION 8. RIGHT OF ENTRY. The Association shall have the right, but not the obligation, to enter into any Lot for emergency, security, and safety reasons, and to inspect for the purpose of ensuring compliance with this Declaration, the By-Laws, and the Association rules, which right may be exercised by the Association's Board of Directors, officers, agents, employees, managers, and all policemen, firemen, ambulance personnel, and similar emergency personnel in the performance of their respective duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner. This right of entry shall include the right of the Association to enter a Lot to cure any condition which may increase the possibility of a fire or other hazard in the event an Owner fails or refuses to cure the condition within a reasonable time after request by the Board.

SECTION 9. NOTICE OF SALE OR TRANSFER OF TITLE. In the event that an Owner sells or otherwise transfers title to his or her Lot, such Owner shall give the Association written notice of the name and address of the purchaser or transferee, the date of such transfer of title, and such other information as the Board of

Directors may reasonably require. Until such written notice is received by the Association, the transferor shall continue to be jointly and severally responsible for all obligations of the Owner of the Lot hereunder, including payment of Assessments, notwithstanding the transfer of title to the Lot. The Board of Directors shall have the right to charge a transfer fee in such amount as it may determine from time to time which must be paid to the Association upon transfer of title to a Lot.

IN WITNESS WHEREOF, this Declaration of Covenants, Conditions and Restrictions is executed as of the 1<sup>st</sup> day of October, 1998.
